All parts of the property statement must be filed by March 1. Extensions of time for filing the property statement or any of its parts may be granted only on a showing of good cause under a written request made prior to March 1. Include excise, sales and use taxes, freight-in, installation charges, finance charges during construction, and all other relevant costs required to place the property in service. Do not reduce costs for depreciation (which must be reported separately). Report separately the details of any trade-in value, write-downs of cost, extraordinary damage or obsolescence, or any other information that may help the BOE in estimating fair market value.

Note: All replacement cost studies, obsolescence requests, and other voluntary information that assessees believe affects the value of their property must be filed with the property statement or by a date granted by a formal extension. If such information is not filed by that date, staff is not required to consider it in determining its unitary value recommendation.
