No. 82/141

TO COUNTY ASSESSORS:

1981-82 BUDGETS AND WORKLOAD REPORT

Here is our Budgets and Workload Report for 1981-82. It contains data useful for comparing your operations under Article XIII A with those of other assessors.

This report contains the following tables:

Table	Title
A	Budget Data and Costs of Selected Programs
B	Budgeted Full-Time Positions in Person-Years
C	Budgeted Part-Time Positions in Person-Days
D	Selected Staffing Changes
E	Local Roll Values and Related Workload Indicators
F	Distribution of Local Roll by Selected Property Types
G	Business Property Assessments

All of the data in these tables was solicited from you in Letter to Assessors' 82/71 except for total roll values (Table E, Column 1). These amounts were taken from the 1980-81 Annual Report of this Board, Table 7, and represent the values enrolled on 1981-82 local assessment rolls.

Table G is data included in this report for the first time. We believe it will prove useful to you in this form; however, we plan certain refinements of the questionnaire and table for next year that should improve the data, making it more germane to your needs.

Please consult the legend following the tables for an explanation of the symbols used and for the footnotes.

We hope this report will be useful to you and is a meaningful tool to compare your operations with those of the other assessors. If you have any questions, please call Dick Schulte at (916) 445-4982.

Sincerely,

Verne Walton
