Dear Mr. Hirsig:

Please consider this letter to be my official request for a thirty (30) day extension to complete this year's assessment roll. As you are aware, almost any county could close the assessment roll timely if they did not "count the cost". We feel the prudent thing to do is to ask for this extension for the following reasons:

- Avoid costly roll correction process
- Avoid more confusion to tax paying public by having to explain roll corrections
- Concern has arisen with our computer system that could delay roll closure at any time due to a last minute glitch. (Frankly, we don't envision having to extend our time, but would rather keep that option open under the current scenario.)

Thank you for your consideration.

Sincerely,

Kenneth O. Reimers

Dear Mr. Hirsig:

Pursuant to Revenue and Taxation Code Section 155, this constitutes an official request for a thirty [30] day extension for completion of the 2007 Secured and Unsecured Assessment Rolls.

A major modification in our computer system has impacted our ability to produce the rolls. Retirements, resignations, and recruitment difficulties have compounded the problem. We will continue to make every effort toward a timely close of the roll. We are concerned that those efforts will be insufficient and respectfully request an extension.

Thank you for your favorable consideration of this request.

Dear Mr. Hirsig:

Pursuant to Revenue and Taxation Code Section 155, I herby request an extension of thirty (30) days for completion of the 2007-2008 local assessment roll.

The reasons for this request are:

- An increase in the number of construction permits filed during the past year, above record numbers from previous years.
- An increase in the number of deeds recorded during the past year,
- The disruption caused by having moved into a new building.

Please forward confirmation of the extension to me at your earliest convenience.

Thank you.

Dear Mr. Hirsig:

Pursuant to Section 155 of the California Revenue and Taxation Code, a request hereby is made for a 30-day extension of time for delivery of the Orange County Assessment Roll to the County Auditor-Controller. We are requesting an extension from July 1, 2007, to July 31, 2007.

This extension of time is necessary due to a combination of (1) short term staffing shortage as a result of significant number of retirements of experienced staff in current fiscal year and (2) impact from the ongoing effort to re-engineer our legacy mainframe assessment systems. The extension will allow us to prepare an assessment roll in accordance with current property tax laws.

Sincerely,

Webster J. Guillory

RE: Assessment Roll Extension – R & T Code Section 155

Dear Mr. Hirsig:

Pursuant to the aforementioned Revenue and Taxation Code Section, Tulare County is requesting a thirty (30) day extension in order to complete and deliver the 2007/2008 Assessment Roll.

The reasons for the request are unprecedented workload increases, coupled with major staff shortages due to turnover. The additional time allowed would give us an opportunity to have a more complete assessment roll and avoid thousands of costly roll corrections – which is good public policy.

Thanking you in advance for your consideration.
