Re: Interested Parties Process – Representative Period for Certificated Air Carriers and Scheduled Air Taxi Operators:

Dear Chairman Horton:

As required by Revenue Taxation Code 1153 Tax Rule 202, the Board of Equalization must annually designate the representative period which shall be used by all assessors in assessing the aircraft of each carrier for the coming tax year.

United Airlines respectfully request that the Board maintain the current representative period designation.

Thank you in advance for you favorable consideration of this request. Please do not hesitate to contact me at (650) 635-2080 if you have any questions or need further information.

Sincerely,

Melinda Yee Franklin
