TO COUNTY ASSESSORS AND COUNTY AUDITOR–CONTROLLERS:

No. 2023/028

LISTING OF STATE ASSESSEES

The annual listing of companies subject to ad valorem tax assessment by the State Board of Equalization (SBE) for lien date 2023 is now available on the Board's Open Data Portal. The listing of state assessees should be useful when determining whether to assess property at the county level.

The annual listing is available in two lists for ease of use. The first list is alphabetical by assessee name. The second list is numerical by assessee SBE number. These listings are current as of July 26, 2023. The State-Assessed Properties Division groups the assessees numerically by industry as follows:

| Industry | SBE No. |
|---|----------------|
| Gas, Electric, Water and Gas Transmission | 100 - 199 |
| Local Exchange Telephone Companies | 200 - 399 |
| Pipeline Companies | 400 - 499 |
| Railcar Maintenance Facilities | 500 - 699 |
| Railroad Companies | 800 - 899 |
| Electric Generation Facilities | 1100 - 1199 |
| Long Distance Telephone Companies | 2000 - 2499 |
| Wireless Telephone Companies | 2500 - 3999 |
| Long Distance Telephone Companies | 7500 - 8999 |
| Wireless Telephone Companies | D001 - D999 |
| Electric Generation Facilities | E001 - E999 |
| Long Distance Telephone Companies | P001 - P999 |
| Long Distance Telephone Companies | Q001 - Q999 |
| Long Distance Telephone Companies | R001 - R999 |

The property of these companies is subject to state assessment pursuant to section 19 of Article XIII of the California Constitution and sections 721 and 721.5 of the Revenue and Taxation Code.

The Board assesses to pipeline companies the property necessary for the mechanical functioning of an intercounty pipeline, flume, canal, ditch, or aqueduct. The assessees in this category have an assessee SBE number in the four hundred series (400-499). This category is property specific; the type of business in which the owner engages is not a determining factor. For pipeline assessment, the Board's jurisdiction does not extend to land interests (fee or easement), delivery

facilities, or personal property unless the personal property is directly related to the proper mechanical functioning of the pipeline.

For all other Board assessees, jurisdiction is related to the line of business in which the entity engages. The Board assesses the property of regulated railway and telecommunication companies, companies operating private railroad cars on railways in the state, and companies transmitting or selling gas or electricity. For the electric generation industry, the Board assesses the electric generation facilities and only the land necessary for the operation of the facility.

The Board may delegate the assessment authority to a County Assessor for property used but not owned by a state assessee and for which the county-assessed owner is responsible for property taxes. When this delegation is made for personal property that is to be assessed locally, the property is reported on form [BOE-600-B](#), *Schedule of Leased Equipment Which is To Be Reported By Lessor To Local Assessor for Assessment* to the Board's State-Assessed Properties Division. After review, the State-Assessed Properties Division transmits the forms to the appropriate County Assessor for property tax assessment.

The annual listing can be found at <https://www.boe.ca.gov/dataportal/> under the Property Taxes data category, State-Assessed Properties Program Resources. A Frequently Asked Questions (FAQs) page and a tutorial about the use of BOE's Open Data Portal are also available at <https://www.boe.ca.gov/dataportal/help.htm>.
