No. 2014/072

December 31, 2014

TO COUNTY ASSESSORS:

TAXABLE PUBLICLY OWNED LANDS

Section 11 of Article XIII of the State Constitution specifies a formula for use in determining assessed valuation of certain types of publicly owned lands.

In accordance with Article XIII, the factor to be used for 2015-16 assessments with respect to land assessed on the lien date in 1966 has been determined to be 73.96545. For land assessed on the lien date in 1967, it is 66.18871.

The 2014-15 assessed valuation on land only of \$2,172,253,951,000 was divided by the January 1, 2014, civilian population figure of 38,340,074. The resultant current land value per capita was divided by \$766 to obtain the 1966 factor and by \$856 to obtain the 1967 factor.

If you have any questions concerning this information, please contact the Research and Statistics Section at 1-916-445-0840.

Sincerely,

/s/ Cynthia Bridges by D. Gau

Cynthia Bridges
Executive Director
