No. 2016/017

May 3, 2016

TO COUNTY ASSESSORS:

DISABLED VETERANS' EXEMPTION INCREASES FOR 2017

Revenue and Taxation Code section 205.5 provides that the exemption amounts and the household income limit for the disabled veterans' exemption shall be compounded annually by an inflation factor. Specifically, subdivisions (g) and (h) of section 205.5 provide that, for each assessment year, the inflation factor shall be the annual percentage change, measured from February to February of the two previous assessment years, rounded to the nearest one-thousandth of 1 percent, in the California Consumer Price Index (CCPI) for all items, as determined by the California Department of Industrial Relations.

Information from the Department of Industrial Relations shows that the CCPI increased from 246.218 in February 2015 to 252.649 in February 2016. Rounded to the nearest one-thousandth of 1 percent, this is an increase of 2.612 percent (factor of 1.02612). Applying this factor to the 2016 exemption amounts of \$127,510 and \$191,266 results in 2017 exemption amounts of **\$130,841** for the basic exemption and **\$196,262** for the low-income exemption. Applying this factor to the 2016 household income limit of \$57,258 results in a 2017 household income limit of **\$58,754** for those claiming the low-income exemption.

For your information, the exemption amounts and household income limits for prior years are enclosed. The disabled veterans' exemption forms (BOE-261-G and BOE-261-GNT) have been updated and will be mailed with the other Board-prescribed forms. Please call our County-Assessed Properties Division at 1-916-274-3350 if you have any questions regarding this exemption.

Sincerely,

/s/ Dean R. Kinnee
