

# Memorandum

To : Ms. Janice Masterton

Date : March 25, 1991

From : Mary C. Armstrong

Subject: Contribution Disclosure Opinion 91-7  
Federal Agencies

This is in response to your memorandum of February 15, 1991 in which you request an opinion regarding whether federal agencies and/or their agents must file contribution disclosures.

We are of the opinion that a federal agency would be considered a "party" as that term is defined in Government Code section 15626. As such, both the federal agency and its agent(s) are required to file contribution disclosures.
