Re: EAP Meetings and EAP Report

Dear Ms. Houser,

I have reviewed the draft copy of the EAP report and have seen the additions and corrections made to the report on behalf of attendees from SEIU Local 1000. The EAP counselor amended the report to incorporate these additions and corrections.

After review of the final EAP report I believe that it accurately reflects a summary of the discussions held at the EAP meetings. I would like to thank you for the invitations to the meetings and for the opportunity to review the EAP report.

I welcome the working relationship we have established and hope we can continue working together on this very important issue.

Thanking you in advance,

JIM FRANCO  
Labor Relations Representative
