Re: EAP Meetings and EAP Report

Dear Ms. Houser,

This letter confirms that several SEIU Local 1000 staff members and stewards attended a meeting on April 16, 2008 to review a draft copy of the EAP report. During the meeting, the EAP counselor provided SEIU Local 1000 with a draft copy of the EAP report and allowed stewards who attended the EAP meetings to make additions and corrections to the report. After the meeting, the EAP counselor amended the report to incorporate these additions and corrections.

SEIU Local 1000 staff members and stewards reviewed the final EAP report and we believe that it accurately reflects a summary of the discussions held at the EAP meetings. I would like to thank you for the opportunity to review the EAP report. It is my hope that the parties can continue working together on this important issue.

We appreciate your continued commitment to work on all the issues raised by SEIU Local 1000 staff members and stewards at the meeting.

Sincerely,

Jim Hard
