

Welcome to our Sales and Use Tax for Nonprofit Organizations Virtual Seminar.

First, you will notice the Sales and Use Tax for Nonprofit Organizations voice recorded PowerPoint presentation. This presentation will take you through basics of what all Nonprofit Organizations in California should know.

How to play the presentation:

You can view the voice recorded presentation by clicking the [Sales and Use Tax for Nonprofit Organizations](#)  link. To view the individual chapters, click the link of the chapter you wish to view. Please note: the individual chapter presentations are not voice recorded.

To view the voice recorded presentation, or individual chapter, in a new window, right-click on the link to the presentation that you want to view and select “Open in New Window” from the pop-up menu.

To advance to the next slide while viewing the presentation, simply click anywhere on the current slide.

To go back to the previous slide, right-click anywhere on the current slide and select “Reverse” from the pop-up menu.

Additionally, if you have any further Sales and Use Tax questions, or need more information specific to your needs, please follow the “[email](#)” link, located below the Voice Recorded PowerPoint Presentation section.

If you would like hard copies of BOE publications, forms and sales tax regulations, or a CD of all BOE publications, you can follow the, “[Internet Order Form for BOE Publications, Forms and Sales Tax Regulations](#)” link. Please note: BOE cannot supply forms from other Tax Agencies. Please do not attempt to submit orders for materials provided by Franchise Tax Board, Employment Development Department, or Internal Revenue Service.

Finally, we thank you for taking the time to visit our site, and hope that you found the Sales and Use Tax for Nonprofit Organizations voice recorded PowerPoint presentation useful!
