Dear Ms. Cazadd:

Pursuant to Revenue and Taxation Code Section 155, please consider this letter my official request for a thirty (30)-day extension to complete the 2012-2013 assessment roll. It is prudent to ask for this extension for the following reasons:

- ◆ To limit the costly roll correction process
- ◆ To reduce confusion of the tax-paying public by limiting the need to explain roll corrections
- ◆ To allow for adequate review of thousands of commercial and residential Prop 8's and other assessment concerns.

Thank you for your consideration.

Sincerely,

Fred Holland

Subject: Assessment Roll Extension Request

Dear Ms. Cazadd:

Pursuant to Section 155 of the Revenue and Taxation Code, I respectfully request a 30-day extension of time beyond July 1, 2012 to prepare and deliver the 2012-2013 Lake County Assessment Roll to the Clerk/Auditor-Controller.

It will not be possible to complete the assessment roll by July 1, 2012 for one or more reasons. The following items are contributory to making this request:

- Dedication of extended customer service resources to work with hundreds of customers who require explanation of Proposition 13 and Proposition 8 statutory mechanics.
- A backlog of assessment appeals exacerbated by a continued declining economy and property owner confusion related to the assessment process.

Workload challenges have been heightened due to key staff retirements and filling staff positions with applicants requiring training in the complexities of the California property tax system. Your approval of this request is important to completeness and accuracy of the 2012-2013 Lake County Assessment Roll. Thank you for your assistance!

This extension of time is necessary due to a combination of (1) substantial amount of Proposition 8 value reduction review workload due to the market conditions, (2) staffing shortage resulting from budget reductions and hiring freeze imposed by the county, and (3) impact from the deployment of new assessment systems to replace our legacy mainframe assessment systems.

The extension will allow us to prepare an assessment roll in accordance with current property tax laws.

Honorable Board

San Joaquin County's continuing budget crisis has forced this office to reduce staff over the past several years. Meanwhile property values have declined over this same period to a point that we must now annually review most properties in the county for loss in value. The resulting hardships of reduced staff and increased workload have jeopardized the ability of my office to complete the 2011-2012 assessment roll on time.

Therefore, I respectfully request a thirty day extension on the roll delivery date.

Respectively Yours

Re: Request for Extension, Local Assessment Roll

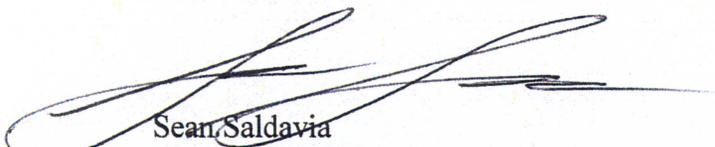

Dear Ms. Cazadd:

Please accept this letter as my request for an extension to July 31, 2012 to deliver the Santa Cruz County Assessment Roll pursuant to Section 155 of the Revenue and Taxation Code.

With the current downturn in the real estate market, vacancies that I cannot fill due to budget cuts and the large volume of assessment appeals and requests for review, it will not be possible to deliver the Assessment Roll by July 1st necessitating the request for an extension to July 31, 2012.

I appreciate your consideration in this matter. If you have any questions, please give me a call.

Very truly yours,

Sean Saldavia

Re: Request for Roll Extension

Dear Ms. Cazadd:

As you are probably aware, the State Board of Equalization granted an extension of time for completion of last year's (2011-12) assessment roll for Sutter County.

Once again, it is necessary to request additional time for completion of the roll. Accordingly, and pursuant to Section 155 of the Revenue and Taxation Code, I respectfully request an extension of the 2012-13 assessment roll, not to exceed thirty (30) days beyond July 1, 2012.

The requested extension is again based upon circumstances effectively the same as those existing in the prior fiscal year – an excessive volume of Prop 8 reviews from last year's roll and the new ones since then, both totaling over 26% of the counties total number of parcels. Although this office has undergone steps to improve our efficiency and utilized mass appraisal techniques, the actual valuation work must be held beyond the lien date in order to gather, verify and analyze the comparable data. Added to this burden were the in-house gas well valuations and the loss of two employees due to layoff. Therefore, it will be necessary to request an extension of the roll.

I thank you for your time and consideration and will make myself available at your convenience, should you or any member of your staff have questions or concerns regarding this request.

Sincerely,

A handwritten signature in black ink, appearing to read "Todd L. Retzloff", is written over a horizontal line.

Dear Ms. Cazadd:

Please accept this letter as my official request for a thirty-day roll extension pursuant to California Revenue and Taxation Code Section 155.

An extension is necessary due to the massive quantity of Proposition 8 properties needing review and adjustment prior to roll closing. Additionally, departmental staffing levels have undergone significant reductions which were implemented by the county in July of 2010 and 2011.

If granted, the extension will allow us to provide an assessment roll that is in compliance with statutory standards and minimizes the prospect of processing roll corrections. Please contact me should you desire clarification or further discussion.

Sincerely,

Bruce Stottlemeyer
