Dear Ms. Bridges:

Pursuant to Section 155 of the Revenue and Taxation Code, I respectfully request a 30-day extension of time beyond July 1, 2015, to prepare and deliver the 2015-2016 Sonoma County Secured and Unsecured Assessment Rolls to the Auditor-Controller.

The work in the Sonoma County Assessor's Office continues to be near record levels due to the number of assessment reviews that are required as the residential real estate market continues to improve. In addition, the office staffing levels have not improved since prior to the economic downturn. The 30-day extension will allow our office to:

- Complete the backlog of new construction
- Complete the outstanding change in ownership events
- Timely process the annual business property statements
- Complete more mandatory business property audits
- Enroll the 2015 Section 51 Value Reviews
- Process more roll corrections on assessment appeals

The additional time allowed will undoubtedly give us the opportunity for a more complete and accurate assessment roll and potentially avoid costly roll corrections.

If you have any questions or require additional information, please do not hesitate to contact me. Thank you for your consideration.

Sincerely,

William F Rousseau

Dear Ms. Bridges:

Please accept this letter as my official request for a thirty-day roll extension pursuant to California Revenue and Taxation Code Section 155.

An extension is necessary due to the massive quantity of Proposition 8 properties needing review and adjustment prior to roll closing. Currently, approximately 6,300 parcels in Yuba County are in Proposition 8 status. Additionally, departmental staffing levels have undergone reductions of approximately 30 percent which were implemented by the county in July of 2010 and 2011.

If granted, the extension will allow us to provide an assessment roll that is in compliance with statutory standards and minimizes the prospect of processing roll corrections. Please contact me should you desire clarification or further discussion.

Sincerely,

Bruce Stottlemeyer
