State Board of Equalization
Board Member Committee

RE: Azim Shaalemi
Case # ID 521073

Dear Honored Board Members,

Please excuse my earlier misunderstanding of your requirements at the previous hearing for which I did not provide additional necessary copies of documents for board members for needed clarity and for full understanding. Since then, I have now properly organized, arranged neatly and marked each of the exhibits clearly for the board members to analyze. I do regret and apologize for not having these materials in proper order at the previous hearing.

Please know that I am fully dedicated to following all the laws and directions of our government and respectfully request to schedule a rehearing for the next convenient board meeting.

Most sincerely yours and with gratitude for your consideration,

Azim Shaalemi
