

WE ARE HERE TO HELP

Businesses like yours are the backbone of our economy. California grows stronger by the jobs businesses create and the tax revenues businesses collect. Unfortunately, doing business in our state has become increasingly difficult and stressful because of complex tax laws and regulations.

As your elected taxpayer advocate, I am here to help you navigate through the complicated tax laws and regulations which burden small businesses.

If you are starting a new business, my staff is available to meet with you at your business location to provide a personal consultation aimed at helping you avoid tax problems in the future.

Thank you for all you do. Entrepreneurs like you are the engine that drives California's economy.
