Board of Equalization Wins Bronze in the State Agency Recognition Awards *BOE Honored for Outstanding Achievements in SB/DVBE Programs*

Barbara Alby, Acting Member of the State Board of Equalization (BOE), today announced that the BOE received the Bronze Award in the Governor's State Agency Recognition Awards (SARA) for 2009. The SARA award honors California departments and employees for their best practices, creativity, and outstanding achievements to advance the State's Small Business (SB) and Disabled Veteran Business Enterprise (DVBE) programs. The award was discussed by the Board at today's public meeting in Sacramento.

The BOE was recognized for its hard work toward the State's SB/DVBE goals. In addition to increasing business with SB/DVBEs whenever possible, the BOE has also endeavored to identify SB/DVBE vendors within leveraged procurement agreements. The BOE increased its SB participation by 16.6% and its DVBE participation by 4.48%.

The Governor's Executive Order S-09-06 requires state agencies to award at least 25% of their annual contracting dollars to SBs and at least 3% to be awarded to certified DVBEs in order to further participation in state contracting, promote competition, and encourage greater economic opportunity. BOE achieved a 36% SB and 8% DVBE participation level in their annual contracting. Every year state agencies must report to the governor and the legislature their total contracting participation.

Barbara Alby, of Sacramento, became Acting Board Member for the Second Equalization District in March, 2010. Prior to becoming Acting Member, she served as the Chief Deputy to Second District Board Member Bill Leonard. She also served in the State Assembly from 1993 to 1998, representing the Sacramento area.

The five-member California State Board of Equalization is a publicly elected tax board. The BOE collects more than \$53 billion annually in taxes and fees supporting state and local government services. It hears business tax appeals, acts as the appellate body for franchise and personal income tax appeals, and serves a significant role in the assessment and administration of property taxes.
