### **BOE Finds Sutter County Assessor's Office Meets State Standards**

**Sacramento** – The California State Board of Equalization (BOE) released a report today stating that most properties in Sutter County are properly assessed and the overall quality of the assessment roll, representing approximately \$7.5 billion in value, meets state standards, announced George Runner, Second District Member of the BOE.

The [Sutter County Assessment Practices Survey Report](#) addresses the quality of the 2012-13 Sutter County assessment roll, and presents 11 recommendations for improving the Sutter County Assessor's programs. It also includes the assessor's responses to the recommendations, which are available [online](#).

These reports provide an overview of how well the assessors' duties are performed in California's 58 counties, and identify where improvements should be made. Every assessor is required to identify and assess all properties located within the county – unless specifically exempt – and maintain a database or "roll" of the properties and their assessed values.

Surveying the state's 58 county assessors' practices fulfills the BOE's mission of promoting statewide consistency in property tax assessment. Every five years the BOE reviews each county's property tax assessment practices and publishes a report.

Elected in November 2010, George Runner represents the State Board of Equalization's Second District. He is a leading advocate for California taxpayers. Runner has worked to improve California's tax policies and practices and to create and retain more private sector jobs in our state. Prior to his election to the Board, Runner served twelve years in the State Legislature, authoring the well-known California Amber Alert and California's Blue Alert. As a thoughtful conservative, his legislative priorities included improving the economy, business growth, education excellence, and public safety for all Californians. As a member of the Senate Revenue and Taxation Committee, Runner consistently led the fight against tax increases and supported tax relief for families and businesses.
