Elected in November 2010, George Runner represents the State Board of Equalization's Second District. He is a leading advocate for California taxpayers. Runner has worked to improve California's tax policies and practices and to create and retain more private sector jobs in our state. Prior to his election to the Board, Runner served twelve years in the State Legislature, authoring the well-known California Amber Alert and California's Blue Alert. As a thoughtful conservative, his legislative priorities included improving the economy, business growth, education excellence, and public safety for all Californians. As a member of the Senate Revenue and Taxation Committee, Runner consistently led the fight against tax increases and supported tax relief for families and businesses.

The five-member California State Board of Equalization (BOE) is a publicly elected tax board. The BOE collects \$56 billion annually in taxes and fees supporting state and local government services. It hears business tax appeals, acts as the appellate body for franchise and personal income tax appeals, and serves a significant role in the assessment and administration of property taxes. For more information on other taxes and fees in California, visit www.taxes.ca.gov.
