**SOLID WASTE FEE RATE INCREASE**

On June 19, 2001, the California Integrated Waste Management Board (Board) passed Resolution 2001-216, which increased the fee on solid waste from \$1.34 to \$1.40 per ton. **The new rate of \$1.40 per ton will go into effect on July 1, 2002.**

Public Resources Code section 48000(b) grants the Board authority to establish the Integrated Waste Management Fee "at an amount that is sufficient to generate revenues equivalent to the approved budget for that fiscal year, including a prudent reserve, but shall not exceed one dollar and forty cents (\$1.40) per ton."

If you have any questions regarding this matter, please contact the Excise Taxes Division at 1-800-400-7115.
