Regulation 1587

Regulation 1587 section (d)(2)(C) provides that sellers of drugs or medicines to be mixed with feed or drinking water for food animals or for non-food animals being held for sale in the regular course of business, to be administered directly to a food animal, or, if oxygen, administered to a food animal such as by pumping or injecting the oxygen into the animal's living environment should request a certificate similar to the following from the buyer:

I hereby certify that all of the feed which I shall purchase from:

NAME OF SELLER

will be purchased:

- as an additive to feed or drinking water for food animals or for non-food animals being held for sale in the regular course of business.
- for administration directly to a food animal, or
- for oxygen administered to a food animal.

This certificate shall be considered a part of each order which I give unless such order shall otherwise specify. This certificate shall be good until revoked in writing.
