GENERAL

The California State Board of Equalization (BOE) administers the California Alcoholic Beverage Tax Law, which includes the state excise tax on beer. The tax rate on beer is shown on this return.

FILING REQUIREMENTS

Report all beer in gallons. To convert barrels to gallons, multiply the number of barrels by 31. Round the resulting figure to the nearest gallon. A return must be filed by every beer manufacturer each month regardless of whether any tax is due. A duplicate of the return and copies of supporting federal forms must be retained on the licensed premises for verification by BOE auditors. The return must be completed in full and remittance for the amount due as shown on line 20 must accompany the return.

INTEREST AND PENALTY FOR LATE FILING

California law imposes a penalty for the late filing of this return regardless of whether any tax is due. The penalty for late payment of tax is 10 percent (0.10) of the amount of tax due together with interest on the tax from the date on which the tax is due and payable until the date of payment. The penalty for the late filing of this return is \$50.00. The penalties imposed shall be limited to either \$50.00, or 10 percent (0.10) of the amount of tax due, whichever is greater. The BOE is authorized by law, for good cause, to extend the time for the filing of this return not to exceed one month. Any request for an extension should be made in writing addressed to the BOE in Sacramento.
