Under the provisions of sections 826 and 830 of the Revenue and Taxation Code and section 901, Title 18, California Code of Regulations, the BOE requests that you file a property statement with the BOE between January 1, 2010, and 5:00 p.m., on March 1, 2010. The property statement shall be completed in accordance with instruction included with the property statement and in publication 67-RC, *Instructions for Reporting State-Assessed Property*, for lien date 2010. If you do not have these instructions, please let us know and we will mail them to you.

All parts of the property statement must be filed by March 1 (exception—see “N/A” below). Extensions of time for filing the property statement or any of its parts may be granted only on a showing of good cause under a written request made prior to March 1. If you do not file timely, it may result in an added penalty of ten percent of the assessed value as required by section 830 of the Revenue and Taxation Code.

(6) OTHER INFORMATION — INSTRUCTIONS

The following information shall be provided with the property statements:

- a. a statement of your 2009 payments to governmental agencies for the use of public property located in California. Please indicate those payments which are on the basis of agreements entered into prior to December 1955 and which have not been subsequently extended or renewed.
- b. a copy of your annual report(s) to regulatory agencies, such as the I.C.C., F.C.C., F.E.R.C., C.P.U.C., etc.
- c. a copy of your Form 10K filed with the Securities and Exchange Commission.
- d. three (3) copies of your 2009 annual report to stockholders.
- e. supplemental information as requested.

A positive response is required for all parts of the property statement. If a requested item does not apply, please so state. If you do not respond to all parts of the property statement, you may be subject to the penalties of section 830 of the Revenue and Taxation Code.

N/A — Not Applicable

BOE-600-A, *Schedule of Leased Equipment to be Assessed by the BOE to the State Assessee (Lessee)*, BOE-600-B, *Schedule of Leased Equipment Which is to be Reported by Lessor to Local Assessor for Assessment*, and BOE-551, *Statement of Land Changes*, need not be returned if there is nothing to report. However, a positive response under the “N/A” column on page S1F is required for those forms not returned.

You have the option of substituting for Financial Schedules A to D inclusive, copies of schedules of corresponding information as filed in your annual report required by the California Public Utilities Commission or Federal Communications Commission, or other financial statements that contain the appropriate information for the corresponding period including depreciation and taxes as called for in the schedules.

Report book cost (100 percent of actual cost). Include excise, sales and use taxes (see instructions below for important use tax information), freight-in, installation charges, finance charges during construction, and all other relevant costs required to place the property in service. Do not reduce costs for depreciation (which must be reported separately). Report separately the details of any trade-in value, write-downs of cost, extraordinary damage or obsolescence, or any other information that may help the BOE in estimating fair market value.

Note: All replacement cost studies, obsolescence requests, and other voluntary information that assessees believe affects the value of their property must be filed with the property statement or by a date granted by a formal extension. If such information is not filed by that date, staff is not required to consider it in determining its unitary value recommendation.

USE TAX INFORMATION

California use tax is imposed on consumers of tangible personal property that is used, consumed, given away or stored in this state. Businesses must report and pay use tax on items purchased from out-of-state vendors not required to collect California tax on their sales. If your business is not required to have a seller's permit with the BOE, the use tax may be reported and paid on your California State Income Tax Return or directly to the BOE on the tax return provided in publication 79-B, *California Use Tax*. Obtain additional use tax information by calling the BOE Taxpayer Information Section at 800-400-7155 or from the website www.boe.ca.gov/sutax/usetaxreturn.htm.
