

I just have a few things:

On the application, before there was a Filing Status of “Corporate Officer or Designated Employee” can that status be added? Or are we not going to use that status?

I have a few questions/comments on the instructions:

Section 3 Property Identification Information – There is no mention of “DBA” (we should spell it out here or on the application)

Section 5 Type of Assessment Being Appealed – Last sentence on page 1 typo “deadlings” instead of “deadlines”.

Supplemental Assessment - first bullet – will we be able to remove references to “tax bill”?

Supplemental and Roll Change/Escape Assessment/Calamity Reassessment – Last sentence – aren’t we changing “2 copies” to “1 copy”?

While scrutinizing the application, we discovered that when the agent is authorized by the applicant on the application, there is no statement that the agent will provide the applicant with a copy of the application. Is that something that should be added with this revamp?

Placer County also points out that there are two spaces in the Agent’s Authorization box asking for the agent or attorney’s email address. She suggests elimination of one of them to avoid some taxpayer confusion.

Thanks,

Melinda Harrell
