Hello Margie,

I have spoken to our staff and I only have two comments coming from our Business Division Chief. She thinks we should have section 4 read similar to the current form which separates improvements/structures assessed by the Business Division from improvements assessed by Real Property. She believes this will better accommodate counties that assess structures under the Business Division. In turn this would require updating section 6E to include structures as well. Thank you in advance for any consideration you can give to our concerns.

- #4 – Should have a separate Improvement/Structures line for Bus Div:  
LAND  
IMPROVEMENTS  
IMPROVEMENTS/STRUCTURES – BUSINESS DIVISION  
FIXTURES  
PERSONAL PROPERTY...
  
- #6E – BUSINESS PERSONAL PROPERTY / FIXTURES / STRUCTURES. Assessor's value of personal property, fixtures, and/or structures exceeds market value.
  1. All personal property / fixtures / structures.
  2. Only a portion of the personal property / fixtures / structures.

Best regards,
