Good afternoon Ms. Wing,

The Ventura County Assessor's office has reviewed LTA 2014/038 and the proposed revisions to *APPLICATION FOR CHANGED ASSESSMENT FORM*. There is one suggestion that we would like to submit. We would like the section above and including "**APPLICATION NUMBER:**" be boxed-in with a heading stating "**THIS SECTION FOR COUNTY USE ONLY**". As an alternative to this suggested revision, we would like to recommend this be added to the allowed revisions bulleted in LTA 2014/038 after paragraph 3.

Thank you for your consideration,

Kent Meyer  
Supervising Appraiser
