TO COUNTY ASSESSORS:

AH 600, MOBILEHOME PARK OPERATOR REPORT

Here is a copy of the varityped Mobilehome Park Operator Report for your use for the 1981 lien date. The only significant revisions from the July 31, 1980 version are as follows:

1. The form asks for the total number of spaces in the park.
2. The assessor's parcel number is not requested.
3. The park operator is asked to report all mobilehomes if this is the initial report; if an earlier report was filed, the operator should report only mobilehomes that have located in the park since July 1.
4. The form provides for recordation of the mobilehome owner's telephone number.
5. The model year of the mobilehome will be reported.
6. The instructions are on the face of the form; the flip side of the form is a continuation sheet, which can be repeated as often as necessary.

Since this is a Board-prescribed form, please advise us by December 22, 1980 whether you will use (1) a prototype (photocopy) or (2) a rearranged version of this form. If you use a rearranged form, please forward two copies of your draft form for approval.

If you have any questions about the approval process for this form, please contact Bill Minor at (916) 445-4982. Refer other questions about the form to Charlie Knudsen at the same telephone number.

Sincerely,

Verne Walton, Chief  
Assessment Standards Division
