No. 83/67

TO COUNTY ASSESSORS:

CALIFORNIA CONSUMER PRICE INDEX

Enclosed is a May 24, 1983 memorandum from the Department of Industrial Relations on the April 1983 California Consumer Price Index and the percentage change from April 1982.

Section 2212 of the Revenue and Taxation Code provides the following:

"'Percentage change in the cost of living' means the percentage change from April 1 of the prior year to April 1 of the current year in the California Consumer Price Index for all items, as determined by the California Department of Industrial Relations."

Therefore, the percentage change to be used by county assessors for the 1983-84 roll should be +1.0 percent.

Sincerely,

Gordon P. Adelman
Assistant Executive Secretary
Department of Property Taxes
