TO COUNTY ASSESSORS:

CORRECTIONS TO BUDGET, WORKLOAD AND APPEALS REPORT, 1982-83

Several counties have called our attention to errors in the information contained in the above report. The purpose of this letter is to advise all county assessors of these errors and to provide corrected data.

Column 3 of Table B indicates that there are 18 business property appraiser positions budgeted for the San Joaquin County Assessor. The correct number is 10.

Column 8 of Table B shows that the total number of budgeted full-time positions for the Del Norte County Assessor is 201.5. The figure should be 7.5.

Table B also contains entirely erroneous entries for Sonoma County. The following changes should be made:

- (2) Real Property Appraisers - change 32 to 22
- (3) Business Property Appraisers - change 10 to 7
- (5) Cadastral Draftspersons - change 9 to 6
- (7) All Clerical - change 11 to 26

Column 15 of Table F-2, which shows the grand total of all assessments on county rolls, is incorrect in every case. However, the preceding columnar entries, showing the distribution of the roll by property type, are accurate.

We hope these errors have not inconvenienced you.

Sincerely,

A handwritten signature in cursive script that reads "Verne Walton".

Assessment Standards Division
