TO COUNTY ASSESSORS:

LANDFILL METHANE SURVEY

We have had a number of inquiries recently concerning the appraisal and assessment of landfill methane producing properties and a request for both a property statement and a class of instruction on how to deal with these special properties.

Please complete the inquiry below for your county to help us determine the need for a specialized property statement and classroom instruction.

1. Number of active landfill methane recovery projects. _____
2. Number of landfill methane recovery projects under development. _____
3. Number of potential landfill methane recovery projects (not now under development, but in the planning stage). _____
4. Are specialized landfill methane property statements needed? _____
5. Indicate approximate total assessed value of the recovery projects in your county. _____
6. Is specialized classroom instruction needed for those assigned responsibility for appraising such properties? _____
7. If you feel such instruction is necessary, please indicate the number of appraisers who would be assigned to such a course. _____
8. Comments:
