TO COUNTY ASSESSORS:

1991-92 SALARY SURVEY

The annual report of salaries in California Assessors' Offices and the State Board of Equalization is enclosed. All salaries are monthly and are effective January 1, 1992, unless noted otherwise.

The report provides a list of each county's civil service classifications, salary ranges, and number of budgeted positions (including vacancies) for each classification. Please note that in several cases the number of positions listed does not equal the "Total Reported Positions" for the county.

For details regarding any county position or salary, contact the local assessor for more specific information or for referral to the county personnel office. Contact our Real Property Technical Services Unit at (916) 445-4982 if you have questions about the state salaries and classifications. They will answer your questions or refer you to the State Department of Personnel Administration or to the Board of Equalization's Personnel Office.

Sincerely,

A handwritten signature in cursive script that reads "Verne Walton".

Assessment Standards Division
