## History of the State Board of Equalization and Board-Administered Taxes

- 1870 Legislature created State Board of Equalization, consisting of the state controller and two gubernatorial appointees, to deal with property assessment abuses among counties.
- 1879 State Board of Equalization established under the state Constitution to regulate county assessment practices, equalize county assessment ratios, and assess properties of interconnected railroads. Board consisted of four members elected by district and the state controller.\*
- 1911 Constitutional amendment provided for Board assessment of corporation franchise taxes, bank share tax, gross receipts taxes on public service corporations (utilities), and insurance taxes.
- 1923 Motor vehicle fuel (gasoline) tax enacted.
- 1929 Bank and corporation franchise tax enacted. Board would no longer assess the taxes but was designated as the administrative appellate agency.
- 1933 Retail sales tax, motor vehicle transportation license tax, and alcoholic beverage tax enacted. Riley-Stewart Plan enacted assessment of designated public utility properties for local tax purposes.
- 1935 Use tax enacted to provide further revenue and protect California retailers from tax-free competition from out-of-state sellers. Personal income tax enacted with the Board as the administrative appellate agency.
- 1937 Use fuel tax on diesel fuel enacted as a supplement to the gasoline tax. Private railroad car tax enacted.
- 1951 Administration of Itinerant Merchants Act transferred by legislation from the Public Utilities Commission to the Board. This law imposed an annual fee on those who hauled produce across county lines.
- 1955 Constitutional Amendment transferred licensing and control of alcoholic beverages from the Board to a new Alcoholic Beverage Control Department and the appellate function to the Alcoholic Beverage Control Appeals Board. The Board retained taxing functions.
- 1955 Board-administered local sales and use taxes program initiated. All state cities and counties included by 1962.

- 1979 Litter Control, Recycling, and Resources Recovery Act amended, ending the assessment and allocating funding from the state's general fund.
- 1982 Administration of two hazardous substances taxes assigned to the Board by legislation. Both are imposed on persons who generate hazardous waste and dispose of it in California.
- 1984 The Moore Universal Telephone Service Act imposed a tax on certain intrastate telecommunications to subsidize basic telephone service for those who cannot afford it. The Public Utilities Commission determined tax rates, eligibility, and service systems while the Board collected the tax.

\*The Board in its present form was established by article XIII, section 9 of the Constitution of 1879. "As originally ratified, (it) provided that the board should consist of one member from each congressional district in the State, to be elected by the qualified electors of their respective districts at the general election to be held in 1879, whose term of office, after those first elected, should be four years, and that the Controller should be ex officio a member of the board."
