**BUILDING UPDATE – Covered Walkway Maintenance at 450 N Street –  
POSTPONED**

The maintenance on the covered walkway surrounding the Headquarters building is being postponed due to an examination previously scheduled to be conducted by the Human Resources Division in the cafeteria of the Board of Equalization's (BOE) Headquarters building located at 450 N Street, Sacramento, California. The Department of General Services (DGS) will work with its contractor and the BOE to determine a new date for the maintenance work to be performed. Once a new date has been agreed upon by all parties, an update will be provided.

We apologize for any inconvenience this may cause. Thank you for your patience and understanding.

Edna B Murphy, MBA  
Deputy Director, Administration Department
