Dear Ms. Cazadd:

This office is requesting an extension of time to July 31, 2013, for completion of the Colusa County Secured and Unsecured Assessment Rolls.

We find this request necessary due to numerous Prop 8 valuations, the task of appraising Gas Wells for Colusa County and Williamson Act review request from the Colusa County Board of Supervisors.

We are making every effort to complete the rolls timely and will use the extension only if it is absolutely necessary.

Dear Ms. Bridges,

Pursuant to Section 155 of the Revenue and Taxation Code, we are hereby requesting a 30-day extension of time for delivery of the 2013 roll.

Our Mineral Consultant delivers his work late in June. The Coso Geothermal project is one of his accounts. Since this is one of our largest assessments, we want to be able to wait and include it as part of the roll as opposed to adding it as an escape assessment.

Subject: Assessment Roll Extension Request

Dear Ms. Cazadd:

Pursuant to Section 155 of the Revenue and Taxation Code, I respectfully request a 30-day extension of time beyond July 1, 2013 to prepare and deliver the 2013 Placer County Assessment Roll to the Auditor-Controller.

The following items are contributory to making this request:

- Completion of a mass review of over 89,000 residential and commercial properties that are on our Prop 8 market review program to determine the current market value and enroll the lesser of market value or Prop 13 factored base.
- Dedication of extended customer service resources to work with thousands of property owners who require explanation of Proposition 13 and Proposition 8 statutory mechanics.
- Resolution of thousands of assessment appeals this fiscal year through the efforts of over 10,000 Assessor staff labor hours.

~~Workload challenges have been heightened~~ this year due to the complexities of a rapidly changing residential real estate market, key staff retirements, and delays in filling staff positions. Those applicants who are hired require extensive training in the complexities of the California property tax system. Your approval of this request is important to the completeness and accuracy of the Placer County assessment roll. Thank you for your assistance!

Sincerely,

During this fiscal year we have experienced a one-third reduction in staff due to budget cuts and have been unable to complete this year's backlog of work. Honorable Board

San Joaquin County has started migrating our computer system to an upgraded version. We have also lost our Computer Department Manager to retirement. Meanwhile property values have started to rebound and all properties that had been suffering losses in value over the past few years now must be reviewed for increases. The resulting hardships and risks in upgrading our system as well as the workload have jeopardized the ability of my office to complete the 2013-2014 assessment roll on time.

Therefore, I respectfully request a thirty day extension on the roll delivery date.

Respectively Yours
