Dear Ms. Bridges:

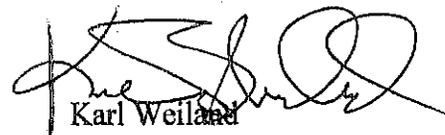

In accordance with Section 155 of the California Revenue and Taxation code, I hereby respectfully request a 30-day extension in completing the 2014/2015 Assessment Roll due to the following reasons:

The real estate market value decline continues to place an additional workload on staff, who must review over 50,000 properties including residential, timeshare interval and commercial for reassessment under Proposition 8; and

Due to budget cuts imposed on this office by El Dorado County, we have now lost an additional 4 full-time equivalent employees.

It is for these reasons that this request for extension is necessary. Your consideration of this petition would be greatly appreciated.

Sincerely,

  
Karl Weiland

Subject: Assessment Roll Extension Request

Dear Ms. Bridges:

Pursuant to Section 155 of the Revenue and Taxation Code, I respectfully request a 30-day extension of time beyond July 1, 2014 to prepare and deliver the 2014-2015 Lake County Assessment Roll to the Clerk/Auditor-Controller.

It will not be possible to complete the assessment roll by July 1, 2014 for one or more reasons. The following items are contributory to making this request:

- Dedication of extended customer service resources to work with hundreds of customers who require explanation of Proposition 13 and Proposition 8 statutory mechanics.
- A backlog of assessment appeals exacerbated by a continued declining economy and property owner confusion related to the assessment process.
- A backlog of property transfers and new construction to be completed prior to close of the assessment roll.

Workload challenges have been heightened due to key staff retirements and filling staff positions with applicants requiring training in the complexities of the California property tax system. Your approval of this request is important to completeness and accuracy of the 2014-2015 Lake County Assessment Roll. Thank you for your assistance!

Dear Ms. Bridges:

Please accept this letter as my official request for a thirty-day roll extension pursuant to California Revenue and Taxation Code Section 155.

An extension is necessary due to the massive quantity of Proposition 8 properties needing review and adjustment prior to roll closing. Currently, approximately 8,200 parcels in Yuba County are in Proposition 8 status. Additionally, departmental staffing levels have undergone reductions of approximately 30 percent which were implemented by the county in July of 2010 and 2011.

If granted, the extension will allow us to provide an assessment roll that is in compliance with statutory standards and minimizes the prospect of processing roll corrections. Please contact me should you desire clarification or further discussion.

Sincerely,
