Mr. Mike Schaefer  
Board Member, 4<sup>th</sup> District  
California State Board of Equalization

Dear Mr. Schaefer:

On behalf of AARP and our 3.3 million California members, I congratulate you on becoming the oldest freshman constitutional officer in state history as a member of the California State Board of Equalization.

Your recent election to the Board of Equalization is just the latest stop on your lifelong journey of public service, beginning in 1967, when you became the youngest person ever elected to the San Diego City Council.

You went on to serve two terms on the City Council before working as a prosecutor for the San Diego City Attorney's office and then enjoyed a long career as a private attorney championing fair and equitable election law.

AARP values the contributions of older adults and their impact in the communities in which they live throughout their lives. Your longevity and successful career highlight the fact that, as we say at AARP, age is just a number. You are truly an inspiration and an embodiment of the motto coined by AARP's Founder, Dr. Ethel Percy Andrus: "To serve, not to be served."

Sincerely,

A handwritten signature in black ink that reads "Nancy C. McPherson". The signature is fluid and cursive, with a large loop at the end of the last name.
