M1. Update: AAB Executive Order: Impact of COVID-19 on Property Tax Administration – Working Group Report

Comment:

I, Rosemarie Kwiatkowski, Deputy County Counsel, represent the Alameda County Assessment Appeals Board ("AAB"). Due to the COVID-19 pandemic, the AAB requests that an Executive Order be issued granting a tolling or an extension of time re: the two year statutory period within which to hear the Assessment Appeals due to the COVID-19 pandemic. The Assessor and the AAB have worked diligently to resolve the cases; however, the AAB still has many cases that will need to be heard before the end of the year in order to meet the statutory deadline. I would like to elaborate further during the public comment period. Thank you.
