Description of Issues:

Members of the Board,

I'm asking you as a life long resident of California not to increase any taxes.

I'm a retired resident and on a fixed income and can not afford any more taxes. As residents of California we already pay the highest taxes in the nation.

I love California, I was born here, raised my children here, please do not force me to leave this great state because of increased taxes.

Thank you

Rod Davenport
