DESCRIPTION OF ISSUES

I want to petition the government to Stop any and all property taxes increases, I should NOT be forced to sell my home nor to be out on the streets because of Unbearable tax burdens.

Firstly,

I do not not have children so why should I be forced to foot the bills for community colleges and unified schools (Totaling 998 dollars)?

Also the "Voter indebtedness" is very unfair to the Homeowners, ie the MRCA greedily proposed varies fees and they used very deceitful languages in their campaigns through my neighborhood, to imposed Extra fees that put burdens on poor homeowners like myself to bear, while other people in the area who vote for such measure like HH do not have to pay a penny.

And my request to the MRCA liaison, MRCA Exemption@sci.ca.gov went unanswered!

It's time for the BOE to take action and alleviate our tax burdens, for the majority of homeowners are not rich and cannot sustain such brutal taxation tactics.
