Description of Issues:

I am in favor of returning to Prop 13 in which the family retains the tax base of the family home upon inheritance. As a teacher I bought our family home 40 years ago in the hopes that it would be the basis of family wealth. Under prop 19, it will have to be sold in one year as my son can not move into it because his job is elsewhere. Retaining my tax base would allow him to retain the home until he retires.
