Comment:

Please SUPPORT SCA-4, very important to me and my family. I had a parent who passed away on 3/24/21. With her passing occurring after the implementation of Prop 19, the property tax on the property her children inherited increased over \$10,000 annually. Our mother's desire was for her children to keep this property within the family. With such a steep increase in property tax, this is not financially feasible. Please SUPPORT SCA-4.
