Barbara Alby Releases Tuolumne County Assessment Practices Survey Report

Barbara Alby, Acting Member of the State Board of Equalization (BOE), today released the Tuolumne County Assessment Practices Survey Report. The report focuses on the quality of the 2007-08 Tuolumne County assessment roll, consisting of 42,560 assessments representing approximately \$6.3 billion in value.

The Tuolumne County Assessment Practices Survey Report states that most properties in Tuolumne County are assessed properly, and that the overall quality of the assessment roll meets state standards. The survey report notes 13 recommendations for improvement to the Tuolumne County Assessor's programs and includes the Tuolumne County Assessor's response to the BOE's recommendations. The BOE is the agency responsible for promoting statewide uniformity and consistency in property tax assessment, reviewing each county's property assessment practices and procedures once every five years and publishing an assessment practices survey report. The report provides an overview of how well the assessor's duties are performed and identifies where improvements should be made. Every assessor is required to identify and assess all properties located within the county – unless specifically exempt – and maintain a database or "roll" of the properties and their assessed values. If the assessor's roll meets state requirements, the county is allowed to recapture some administrative costs.

The assessment practices survey program is one of the State's major efforts to address both a public policy interest and a financial interest in promoting fair and equitable assessments throughout California. For more information on the BOE assessment practices survey program, visit: www.boe.ca.gov/proptaxes/apscont.htm.

Barbara Alby, of Sacramento, became Acting Board Member for the Second Equalization District in March, 2010. Prior to becoming Acting Member, she served as the Chief Deputy to Second District Board Member Bill Leonard. She also served in the State Assembly from 1993 to 1998, representing the Sacramento area.

The five-member California State Board of Equalization (BOE) is a publicly elected tax board. The BOE collects more than \$53 billion annually in taxes and fees supporting state and local government services. It hears business tax appeals, acts as the appellate body for franchise and personal income tax appeals, and serves a significant role in the assessment and administration of property taxes.
