## Betty T. Yee Announces Emergency Relief Available for Taxpayers in Humboldt County Due to Earthquake

Betty T. Yee, Chairwoman of the Board of Equalization (BOE), today announced that extensions for filing, audits, billing notices, assessments and relief from subsequent penalties are available for those individuals and/or businesses impacted by the earthquake in Humboldt County.

The Governor declared a state of emergency in Humboldt County due to a 6.5-magnitude earthquake that occurred on January 9, 2010.

“Natural disasters often cause sudden disruption for businesses without notice,” said Chairwoman Yee. “We offer assistance to businesses to help alleviate some of the stress, especially in these trying times.”

Emergency relief for taxpayers and fee payers may include extensions for filing returns or to make payments, relief of interest and penalties, and copies of BOE tax records will be made available on an expedited basis. Any taxpayer or fee payer who, as a result of the earthquake, cannot meet tax filing and payment deadlines may apply. The BOE may also extend these relief provisions to include delays caused by disruption of the normal activities of the U.S. Postal Service or other private mail and freight companies.

**Extension for Filing Returns or Payments:** Special relief in the form of a one-month extension of time to file or pay taxes or fees is available for the following tax and fee programs:

**Relief of Interest and Penalties:** Relief from interest and penalties may be provided for those persons who are unable to file their returns or make their tax and fee payments in a timely manner. Relief from interest and penalties are available for the tax and fee programs listed above, including Insurance Taxes.

**Request for Extension or Penalty and Interest Relief for Disaster Victims:** Taxpayers and fee payers requesting extensions for filing, audits, billing notices, assessments and relief from subsequent penalties must fill out forms: [BOE 468, Request for Extension](#) and/or [BOE 27, Penalty and Interest Relief for Disaster Victims](#). Both forms are available on the BOE website at [www.boe.ca.gov](http://www.boe.ca.gov). Taxpayers and fee payers must also include with their returns a statement, signed under penalty of perjury, stating the cause for the late filing. The statement should include specific information about how the earthquake impacted their ability to report their taxes timely.

Please note that the relief program for Interstate User Tax under the International Fuel Tax Agreement (IFTA) applies to California tax payments only. To waive interest and penalties for another jurisdiction, the BOE must receive written approval from the other jurisdiction. For information regarding IFTA, call the Fuel Taxes Division at 916-322-9669 or 800-400-7115 and follow the prompts to Fuel Taxes.
