## **Board of Equalization Updates Taxpayers Through Twitter**

*Updates and Alerts Available at [twitter.com/CA\\_BOE\\_News](http://twitter.com/CA_BOE_News)*

The California State Board of Equalization is now using Twitter to provide Californians with the most recent and useful news from the BOE.

As technology continues to expand, and more and more people get their news from the Internet and social networking sites, it is increasingly important to increase BOE's efforts to get information to the public as quickly as possible. Twitter is another helpful tool for the BOE to keep businesses and taxpayers informed and updated on the latest news and information from the BOE.

Follow the BOE at [twitter.com/CA\\_BOE\\_News](http://twitter.com/CA_BOE_News) to get alerts about rule changes, emergency relief for taxpayers, and other updates on sales and use tax, special fees, and **property taxes**.

The five-member California State Board of Equalization is a publicly elected tax board. The BOE collects more than \$48 billion annually in taxes and fees supporting state and local government services. It hears business tax appeals, acts as the appellate body for franchise and personal income tax appeals, and serves a significant role in the assessment and administration of property taxes.
