Betty T. Yee Announces Emergency Relief Available For Taxpayers in San Mateo County Due to Explosion, Fire

Extensions for filing, audits, billing notices, assessments and relief from subsequent penalties are available for those individuals and/or businesses impacted by the explosion and resulting fire in the City of San Bruno, announced Betty T. Yee, Chairwoman of the State Board of Equalization today.

Lieutenant Governor Abel Maldonado has declared a state of emergency in the County of San Mateo due to a gas explosion and fire that occurred September 9, 2010.

“This is a terrible disaster that has disrupted several residents without notice,” said Chairwoman Yee. “We offer assistance to affected businesses to help alleviate some of the stress during this extremely difficult time.”

Emergency relief for taxpayers and fee payers may include extensions for filing returns or to make payments, relief of interest and penalties, and expediting copies of BOE tax records. Any taxpayer or fee payer who, as a result of the explosion or fire, cannot meet tax filing and payment deadlines may apply. The BOE may also extend these relief provisions to include delays caused by disruption of the normal activities of the U.S. Postal Service or other private mail and freight companies.

How to Request an Extension or Relief of Interest and Penalties: Taxpayers and fee payers requesting extensions for filing, audits, billing notices, assessments and relief from subsequent penalties must fill out forms: [BOE 468, Request for Extension](#) and/or [BOE 27, Penalty and Interest Relief for Disaster Victims](#). Both forms are available on the BOE website at www.boe.ca.gov. Taxpayers and fee payers must also include with their returns a statement, signed under penalty of perjury, stating the cause for the late filing. The statement should include specific information about how the explosion or fire impacted their ability to report their taxes timely.

Please note that the relief program for Interstate User Tax under the International Fuel Tax Agreement (IFTA) applies to California tax payments only. To waive interest and penalties for another jurisdiction, the BOE must receive written approval from the other jurisdiction. For information regarding IFTA, call the Fuel Taxes Division at 916-322-9669.
