Sacramento - Individuals and businesses with ideas or concerns about the administration and oversight of California's business and property taxes are invited to attend the Board of Equalization's (BOE) annual Taxpayers' Bill of Rights hearings in Sacramento on May 22, 2013, announced George Runner, Second District Member of the BOE.

"I invite taxpayers to come share their ideas and concerns," Runner said. "But there's no need to wait for help. If you're having problems with a California tax agency, please contact my office today."

The Taxpayers' Bill of Rights hearings begin at approximately 1:30 p.m. at the following location:

When: Wednesday, May 22, 2013

Where: Board of Equalization Headquarters Building
1st Floor Board Room 121
450 N Street
Sacramento, California 95814

Taxpayers interested in making a presentation at either the Business Taxpayers' or the Property Taxpayers' Bill of Rights Hearings are invited to contact the BOE Taxpayers' Rights Advocate Office by calling toll-free 1- 888-324-2798, or by email at www.boe.ca.gov/info/emailtra.htm.

Enacted in January 1989, the Harris-Katz California Taxpayers' Bill of Rights requires the BOE to ensure that the rights of California taxpayers are protected during the assessment and collection of sales and use taxes. The Taxpayers' Bill of Rights was expanded in 1993 to include special tax programs such as excise, fuel, and alcohol taxes, and the Morgan Property Taxpayers' Bill of Rights was added in 1994. The Board is required by law to conduct public Bill of Rights hearings annually.

Elected in November 2010, George Runner represents the State Board of Equalization's Second District. He is a leading advocate for California taxpayers. Runner has worked to improve California's tax policies and practices and to create and retain more private sector jobs in our state. Prior to his election to the Board, Runner served twelve years in the State Legislature, authoring the well-known California Amber Alert and California's Blue Alert. As a thoughtful conservative, his legislative priorities included improving the economy, business growth, education excellence, and public safety for all Californians. As a member of the Senate Revenue and Taxation Committee, Runner consistently led the fight against tax increases and supported tax relief for families and businesses.

The five-member California State Board of Equalization (BOE) is a publicly elected tax board. The BOE collects more than \$53.7 billion annually in taxes and fees supporting state and local government services. It hears business tax appeals, acts as the appellate body for franchise and personal income tax appeals, and serves a significant role in the assessment and administration of property taxes.
