Emergency tax relief is available from the Board of Equalization for business owners and fee payers directly affected by the South Lake Tahoe region fires in El Dorado County.

FILING TIMES EXTENDED ONE MONTH

Special relief in the form of a one-month extension of time to file and pay taxes or fees is available in all of the following Board administered programs:

Sales and use taxes, gasoline tax, use fuel tax, alcohol beverage taxes, cigarette and tobacco products taxes, jet fuel tax, diesel fuel tax, interstate user tax, timber yield tax, integrated waste management fee, California tire fee, occupational lead poisoning prevention fee, underground storage tank maintenance fee, oil spill response, prevention and administration fees, energy resources surcharge, emergency telephone users surcharges, natural gas surcharge, ballast water fee, electronic waste recycling fee, water rights fees, and hazardous waste fees.

This relief is offered to any tax or fee payer who was directly affected by the Lake Tahoe fires in El Dorado County, and who, as a result, cannot meet tax filing and payment deadlines. The Board has also extended the deadline for filings that were delayed by disruption of service of the United States Postal Service or private mail and freight companies. Tax and fee payers must include with their returns a statement signed under penalty of perjury that states the cause for the late filing.

RELIEF OF INTEREST AND PENALTIES

Relief from interest and penalties may be provided for those persons who are unable to file their returns and pay taxes and fees when due. This relief may be provided for the programs listed above. Tax and fee payers must include with their returns a statement signed under penalty of perjury that states the cause for the late filing.

Please note: The relief program for interstate user tax under the International Fuel Tax Agreement (IFTA) applies to California tax only. To waive interest and penalties for another jurisdiction, the Board must receive written approval from the other jurisdiction. For information regarding IFTA, please call the Fuel Taxes Division at 916-322-9669 or 800-400-7115 and follow the prompts to Fuel Taxes.

FORMS ARE READILY AVAILABLE

The Board has several forms that may be of assistance. Form [BOE 468](#), *Request for Extension*, and form [BOE-27](#), *Penalty and Interest Relief for Disaster Victims*, are both available as fill-in forms. PROPERTY TAXES

Unlike sales and fuel taxes - which are collected by the state - property tax is collected at the county level. Answers to property tax questions and forms for relief are available from county assessors' offices. A complete listing of assessors is available online at www.boe.ca.gov/proptaxes/assessors.htm.
