Relief for Counties Affected by Recent Winter Storms

Emergency relief is available from the Board of Equalization (BOE) for business owners and fee payers directly affected by the recent storms which Governor Jerry Brown declared a State of Emergency on April 15, 2011. The counties affected are: Alameda, Amador, Butte, Contra Costa, Del Norte, Humboldt, Madera, Mariposa, Mendocino, Monterey, San Luis Obispo, Santa Barbara, Santa Cruz, Sierra, Stanislaus, Sutter, Trinity, Tuolumne, and Ventura. Tax relief may include a one-month extension to the return filing date, relief of penalties and interest, and/or providing copies of tax records previously filed with the BOE that were lost or damaged due to the storms.

Emergency relief is available in all of the following BOE administered programs:

Sales and use taxes; gasoline tax; use fuel tax; alcoholic beverage taxes; cigarette and tobacco products taxes; jet fuel tax; diesel fuel tax; interstate user tax; timber yield tax; integrated waste management fee; California tire fee; occupational lead poisoning prevention fee; underground storage tank maintenance fee; oil spill response; prevention and administration fees; energy resources surcharge; emergency telephone users surcharge; natural gas surcharge; ballast water management fee; electronic waste recycling fee; water rights fees; and hazardous substances fees.

One-Month Extension of Filing Deadline

This relief is offered to any tax or fee payer who was directly affected by the recent storms in Alameda, Amador, Butte, Contra Costa, Del Norte, Humboldt, Madera, Mariposa, Mendocino, Monterey, San Luis Obispo, Santa Barbara, Santa Cruz, Sierra, Stanislaus, Sutter, Trinity, Tuolumne, and Ventura counties, and who, as a result, cannot meet tax filing and payment deadlines. The BOE has also extended the deadline for filings that were delayed by disruption of service of the United States Postal Service or private mail and freight companies. To request an extension, tax and fee payers may submit [BOE-468, Request for Extension](#) that states the cause for the late filing.

Relief of Interest and Penalties

Relief of interest and penalties may be provided for those persons who are unable to file their returns timely and/or pay taxes and fees when due. This relief may be provided for the programs listed above. Tax and fee payers must submit to the BOE a statement signed under penalty of perjury that explains the cause for the late filing or late payment. Tax and fee payers may use [BOE-27, Penalty and Interest Relief for Disaster Victims](#) to request relief from penalty and interest.

Please note: The relief program for interstate user tax under the International Fuel Tax Agreement (IFTA) applies to California tax only. To waive interest and penalties for another jurisdiction, the BOE must receive written approval from the other jurisdiction. For information regarding IFTA, please call the Fuel Taxes Division at 916-322-9669 or 800-400-7115 and follow the prompts to Fuel Taxes.
