Tax Relief for Business Owners Affected by Hurricane Sandy

Emergency tax relief is available from the Board of Equalization (BOE) for business owners and fee payers located in states directly affected by Hurricane Sandy. Tax relief may include extending filing return dates, relieving penalties and interest, or replacing copies of records lost to storm damage.

One-Month Extension of Filing Deadline

Special relief in the form of a one-month extension of time to file and pay taxes or fees is available in all of the following BOE administered programs:

Sales and use taxes; gasoline tax; use fuel tax; alcoholic beverage taxes; cigarette and tobacco products taxes; jet fuel tax; diesel fuel tax; interstate user tax; timber yield tax; integrated waste management fee; California fire fee; occupational lead poisoning prevention fee; underground storage tank maintenance fee; oil spill response, prevention, and administration fees; energy resources surcharge; emergency telephone users surcharges; natural gas surcharge; ballast water fee; electronic waste recycling fee; water rights fees; and hazardous waste fees.

This relief is offered to any taxpayer or feepayer located in a state directly affected by Hurricane Sandy, and who, as a result, cannot meet the filing and payment deadlines. The BOE has also extended the deadline for filings that were delayed by disruption of service of the United States Postal Service or private mail and freight companies. Taxpayers and feepayers must include with their returns a statement signed under penalty of perjury that states the cause for the late filing.

Relief of Interest and Penalties

Relief from interest and penalties may be provided for those persons who are unable to file their returns and pay taxes and fees when due. This relief may be provided for the programs listed above. Tax and fee payers must include with their returns a statement signed under penalty of perjury that explains the cause for the late filing, including specific information about how the storm impacted their ability to report the taxes in a timely manner.

Please note: The relief program for interstate user tax under the International Fuel Tax Agreement (IFTA) applies to California tax only. To waive interest and penalties for another jurisdiction, the BOE must receive written approval from the other jurisdiction. For information regarding IFTA, please call the Fuel Taxes Division at 1-916-322-9669 or 1-800-400-7115 and follow the prompts to Fuel Taxes.

eRelief Requests Can Be Filed Online

eRelief Requests is the BOE's online service to enable taxpayers to quickly and conveniently submit requests for extension of time in which to file a tax/fee return and requests for relief from interest and penalties.
