Index for 1999 Bulletins

This index was created to help readers find articles that appeared in the March, June, September, and December issues of the quarterly *Tax Information Bulletin*. All the articles are listed alphabetically by the first word in the article title or by the article's subject matter.

Please be aware that some of the articles may include information that is no longer current due to changes in the law or as the result of court decisions. If there is a conflict between an article and the law, the law is controlling.

You can obtain copies of 1999 bulletins by writing to: Board of Equalization, Supply Unit, 3920 West Capitol Avenue, Suite 200, West Sacramento, CA 95691 or by calling 1-800-400-7115. Please specify bulletin issue date when ordering. You can also obtain past bulletins from the Internet at www.boe.ca.gov.
