No. 78/11

January 30, 1978

TO COUNTY ASSESSORS AND INTERESTED PARTIES:

PROPOSED ASSESSORS' HANDBOOK SECTION 581A
SURVIVOR-CURVE PERCENT GOOD FACTORS
FOR INDUSTRIAL MACHINERY AND EQUIPMENT

Assessors' Handbook Section 581A, Survivor-Curve Percent Good Factors for Industrial Machinery and Equipment, will be the subject of a public hearing in the Board meeting room at 1020 N Street, Sacramento, California, at 2:00 p.m., on February 28, 1978. A copy of the handbook is enclosed for your review.

AH 581A is an explanatory manual, whose purpose is to define the origin and nature of the percent good factors that have long been published annually in Assessors' Handbook Section 581, Equipment Index Factors and Inventory Ratios. AH 581A has been reviewed and approved by the Business Subcommittee and the Standards Committee of the California State Assessors' Association.

Any comments with respect to the handbook are welcome prior to the hearing date. Suggestions should be referred to Robert H. Paschall, (916) 445-4982. Persons desiring to participate in the hearing on February 28 should let us know so that we may prepare an orderly agenda.

Sincerely,

Janice Masterton *JM*
Calendar Clerk
